Have you heard of any grants that you think the city could apply for??

As you all know, the city recently applied and was awarded a grant to replace the water lines in the city limits!! The council is working on future plans to better the streets, sewer lines, parks, etc.! So if you, or anyone you know, knows of any grants that could help with these in the future please let a council member or the city office know!

The family of Ileta Klecan would like to express our sincere thank you to the amazing community. We were overwhelmed by the food, monetary donations to her memorial and especially the love and memories shared with our family. We know she loved her years working at Ricky's cafe but loved even more when she could help others in any way possible. She was truly our inspiration. Thank you from the bottom of our hearts from Joe Klecan and all of the 7 kids and their families.
