NEWS FROM THE HANOVER HOSPITAL

Hanover Hospital/Washington Health and Drug Health Fair

By Aubrie Schaefer, MSN, APRN, FNP-C

We're so excited to be hosting a health fair this Spring! Mark your calendars for our "Spring Into Wellness" event taking place at the community building on April 1st. We will be offering discounted labs, hosting various vendors, and the kids attending NCYC (National Catholic Youth Conference) will be hosting a free will offering breakfast as we anticipate you'll be arriving hungry from fasting! The event is being sponsored by the Hanover Hospital and Washington Health and Drug.

Who should attend? Anybody due for annual labs

What is the cost? \$45 for the basic draw; \$35 for vitamin d level, \$15 for PSA; please bring cash or check

What labs are drawn? A basic \$45 lab draw includes a complete metabolic panel, complete blood count, hemoglobin A1c, thyroid stimulating hormone, and a lipid panel.

Complete metabolic panel: electrolytes, kidney function, liver function

CBC: white count, hemoglobin, platelets

Hemoglobin A1c: test for diabetes

Thyroid stimulating hormone: screen for thyroid dysfunction

Lipid panel: cholesterol

Vitamin D: important for bone health

PSA: prostate cancer screening, appropriate for men aged 50 and over or age 45 and over with a family history of prostate cancer

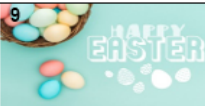

What time should I arrive? Anytime between 6am and 10am! Be sure that you've fasted for 10 to 12 hours before having your blood drawn. After your blood is drawn you can head over to the breakfast sponsored by NCYC.

What if I have more questions? Call 785-337-2214 and we'll be able to answer any other questions you might have!
